

FUTURE

By Maria Feiler

I recently applied for studies at the University of Bournemouth, on the south coast of England. The online application was very difficult and expensive. Obstacles for me were the accommodation, financing and references in English. In the end everything went well.

KIND OF JOURNEY

AU PAIR

Is a domestic assistant from a foreign country working for and living as part of a host family.

A student exchange program

Is a program in which students from a secondary school or university study abroad at one of their institution's partner institution.

Work and travel

The perfect opportunity to learn, money and support yourself financially, while you are living a crazy insightful adventure in the country of your dreams.

Language holiday

This is temporary employment abroad with the objection of improving foreign language competences. Thus there will be language teaching in a special language school in a natural environment.

EXPERIENCE

By Thorben Burkhardt

In the summer 2017, I attended a four-week course at a language school in London. There I not only met new people, but also new methods that can be used in class as well as in my free time.

Furthermore, I improved my English skills
